

REMARKS

This is a response to the Communication and Notice of Non-Compliant Amendment of August 19, 2008.

The undersigned attorney would like to thank Examiner Gross and Examiner Harry Kim at the PCT Help Desk, for the telephonic interviews of September 15 and September 17, 2008, in which we discussed the issues raised by Examiner Gross related to the claim status identifiers and correct mark-up notation for Applicant's claims.

By this Response, the previous set of claims 1-46 was cancelled and a new set of claims numbered 47-92 are now being presented, as suggested by Examiner Kim. The new claims are substantially identical to the claims presented in the previous amendment, however, all status identifiers have been changed to "New", and mark-up indications are no longer necessary.

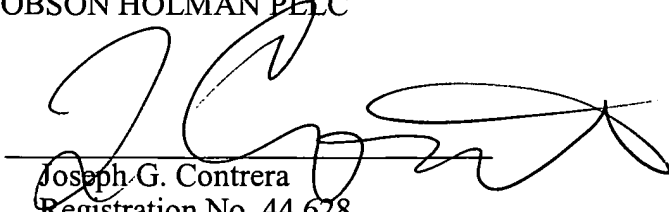

Should the Examiner have any questions after reviewing this Response, the Examiner is cordially invited to telephone the undersigned attorneys. An early Action on the merits is respectfully requested.

Respectfully submitted,
